Professional Summary

As a software engineer, I have a strong background in building scalable web applications and systems. I have worked on projects that have resulted in significant improvements in performance and user experience. I am a team player and enjoy collaborating with others to solve complex problems. I have a proven track record of delivering high-quality code and meeting deadlines. I am currently looking for a challenging role where I can continue to grow and contribute to a team.

Education

Dalhousie University (*Bachelor of Applied Computer Science, 3.91 GPA*)

3 (Top academic standing)

Nova Scotia Community College (*Diploma in IT Programming*)

Experience
